Ref. Government Order No. Ms. 756 P.H. dated 2nd March 1942.

.....

The Government in their Order quoted above, have stated that the minimum qualification of a Sanitary Inspector prescribed in the Government Order No Ms. 5347 P.H. dated 23.12.41 for a License Inspector will apply only to future recruits to posts of License Inspectors and that there will be no objection to existing License Inspectors continuing as such even though they may not possess the minimum qualification of a Sanitary Inspector. I have to bring to the notice of the Government that there are no License Inspectors under this District Board now and the work of collecting license fees relating to dangerous and offensive trades is attended to by 4 Bill Collectors . One of the bill collectors possesses the qualification prescribed for profession tax and License Inspectors prescribed in Government Order No. 4448 L and M. dated 29.10.35 as

subsequently amended i.e. S.S.L.C. (declared eligible for the University Course). The second is a holder of a S.S.L.C. (Completed), the third studied up to the S.S.L.C. Class and the fourth does not possess any qualification worth mentioning. All these Bill Collectors now discharge all the duties of license inspectors under the designation of bill collectors. The discharge of these bill collectors in these days of unemployment would cause great hardship to them. The service put in by the bill collectors under the Board is shown in the accompanying statement. Now that the Government are not insisting on the minimum qualification of a sanitary Inspector to the existing License Inspectors, I request instructions from the Government as to whether the existing bill collectors may be promoted as License Inspectors for the reasons stated above and continued in service.

p. 3 infra

PRESIDENT.

TAS 14/8

R. No. 46-2-C.R./42 dated 7th July 1942.

Sir,.

Establishment - Public Health - South Kanara District Board - License Inspectors for work connected with dangerous and offensive trades - absorption of Bill Collectors.

Ref:-- Government Memorandum No. 139(S)-1-H-P.H., dated 15-5-42.

I have the honour to state that I do not recommend the proposal of the President, District Board, South Kanara to promote the Bill Collectors as License Inspectors. It is however desirable that the existing Bill Collectors are absorbed in other vacancies in the District Board or appointed as Bill Collectors in the Panchayat Boards and qualified Sanitary Inspectors are appointed as License Inspectors.

(S)

Note ~~It may be proposed~~ The proposal of the
mm 23.4.42 P.D.O. Kanara is that the four
Bill Collectors now attending to the work
of the licensing of d & o. Trades may
be appointed Licence Inspectors —
All of them do not possess the minimum
qualification of S.S.L.C, & the scale of pay
of the Bill Collectors is apparently lower
than that prescribed for Licence Inspec-
tors (Rs 30-50). It does not appear that
the Pt's proposal is acceptable — There is
however no objection to the Pt's Continuing
the appt of Bill Collectors — In orders ——

I think similar cases have been dealt with recently. (Nellore?) M on p-2 c/f.

para 7, p 2 cf (J)
pp 1-2 cf

With reference to the Dy.s remarks on the margin of p. 2 ante it is submtd. that connected papers have been traced and kept below. There was no reference from the Vellore Dt Bd. on the subject. The Govt have stated that there will be no objection to existing licence inspectors continuing as such even though they may not possess the qualification of a Sanitary inspector. With reference to these orders, five persons under the Madura Dt Bd possessing only the qualification of clerk, are continued as licence inspectors. In the present case three out of the four incumbents do not even possess the qualification of clerk. ~~There is no information about the conditions obtaining in the other districts.~~ The Perhaps, the remarks of the Dy.s may be obtained in the first instance.

A draft memo is submtd. for approval.
